— Our Financial Options —

METHODS OF PAYMENT:

1. Cash, Check or Credit Card (Visa or MasterCard)
2. Dental Insurance (described below)
3. Third party financial options through Wells Fargo and Dental Free Plan.

DENTAL INSURANCE:

1. We are pleased you have dental insurance, and our office will assist you in obtaining the maximum benefits specified in your Dental Benefit Contract. However, your insurance contract is between you, your employer and the insurance company.
2. As a courtesy and help to you, we will file your insurance claim. *We make every effort to assist you in using your dental benefits, but we will not guarantee our estimates from your insurance company. We ask that your ESTIMATED co-payment and deductible be paid at the time of service.*
3. Not all services are a covered benefit in all dental contracts. Some insurance companies arbitrarily select certain services they will cover. Quality dental health may not be your insurance company's first priority; instead, let this be Dr. Hickey's and your priority.
